Dear Parents and Friends of our School,

RE: PARKING CONDITIONS AT CNPS

Key Information:

1. New arrangements are being implemented to reduce or remove the need for vehicles to reverse in the parking area to improve safety.
2. Your vehicle when parked should AT ALL TIMES be facing Thomas Street.
3. The first line of parking will commence 6 metres back from the fence line.
4. No parking against the fence line facing Thomas Street OR the fence line facing the Moore-Oxley Bypass.
5. Drive forward in to your parking line and forward out.
6. Single lines of parking will be indicated with white traffic markers to show where the front of your vehicle should be.
7. Park in a way that you do not block anyone else in and do NOT need to reverse to get out of your parking location.

Failure of these new arrangements being implemented will result in the closure of the parking area, which will be a great loss to the school.

We thank you in advance for your co-operation and compliance with this extremely important effort to keep the children and families of our school safer while using the car park at CNPS.
